Why a theatrical theme? In fact, why a theme at all?
Themes are chosen to tie the various sections of the annual
together, to provide continuity, to make each annual an in-
dividual and in some cases, as is the case with this 1960-61
GRIZZLY, to acknowledge the efforts of an individual or
groups of individuals.
The Drama Department of Queen Anne has captured the
interest of the entire school. Dramatic productions are no
longer regarded only as a form of "high-brow" entertain-
ment, but have become a wonderful outlet for the dramatic
and musical ability of numerous high school students. Last
year, with the pooling of resources from the Drama and
Music Departments, the musical "Brigadoon" was presented.
An even more spectacular triumph was the 1961 presenta-
tion of "The Wizard of Oz."

TABLE OF CONTENTS

DEDICATION

Mr. Earl Lindsey

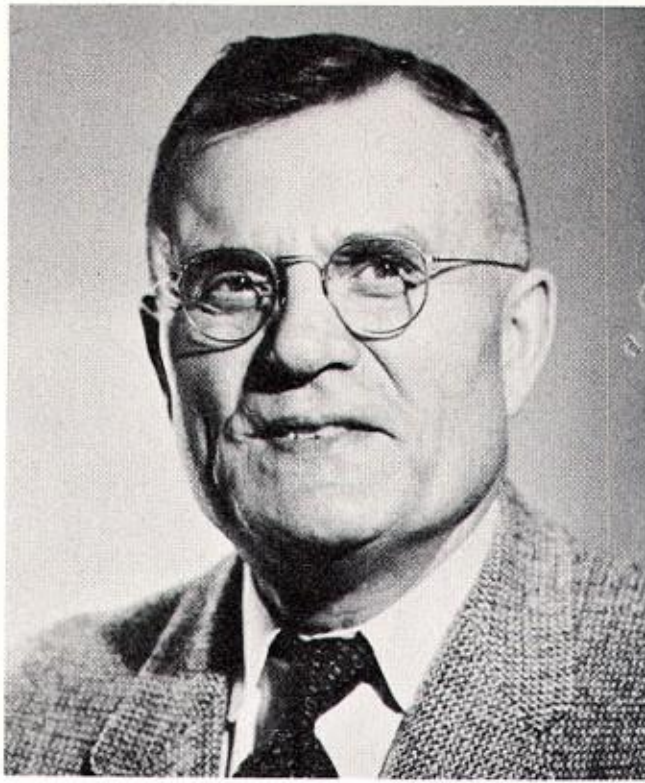

When you left us last year, we were painfully aware of our loss. You have gone—but your memory remains. We will all have difficulty recalling you without your shy smile and Oklahoman accent. We knew you as a friend as well as a faculty member, and although we didn't agree on all matters, after some reflection, we realized that you were right many more times than you were wrong. We regarded you with respect, and appreciated your endeavors at improving our generation; our hope is that you learned of this. In order to repay a portion of this debt, we dedicate to you the Queen Anne GRIZZLY of 1961.

May you players in this theater interact with friends and classmates in such a way that you keep alive a desire for self-improvement and at the same time concern for your neighbor's welfare. May you strive to maintain health, emotional balance, and high standards of character. May you expand your knowledge and your interests in knowledge and at the same time have fun for these days of youth are all too soon gone.

Which lessons learned in school have been most valuable to you?

Certainly the modern comprehensive secondary school offers a variety of lessons, some of which cannot be found on the program of studies. Two of the most important lessons fall into this unlisted category, though they may well be the most important of all. How much we have learned in the past and how well we fit into the future will be in proportion to how thoroughly we have learned the lessons entitled "Self-Discipline" and "Respect for Others".

The girls always work hard to make their club a good one, and this year has been no exception. They started off their busy and active year with the Dad-Daughter Dessert. Throughout the year the girls showed their ability in their middy drives, dances, and banquets. They did a wonderful job, not only by fulfilling their goals, but also by creating an atmosphere of warm friendship in the club.

We, the production crew, are proud and happy to present to you, the stars of this season, the 1960-'61 GRIZZLY as the finale of this dramatic year. Our director, Mr. Hoverson, has been indispensable, furnishing advice, reassurance, and sympathy for the many problems which arose during the year. Without his assistance this production would have been impossible.

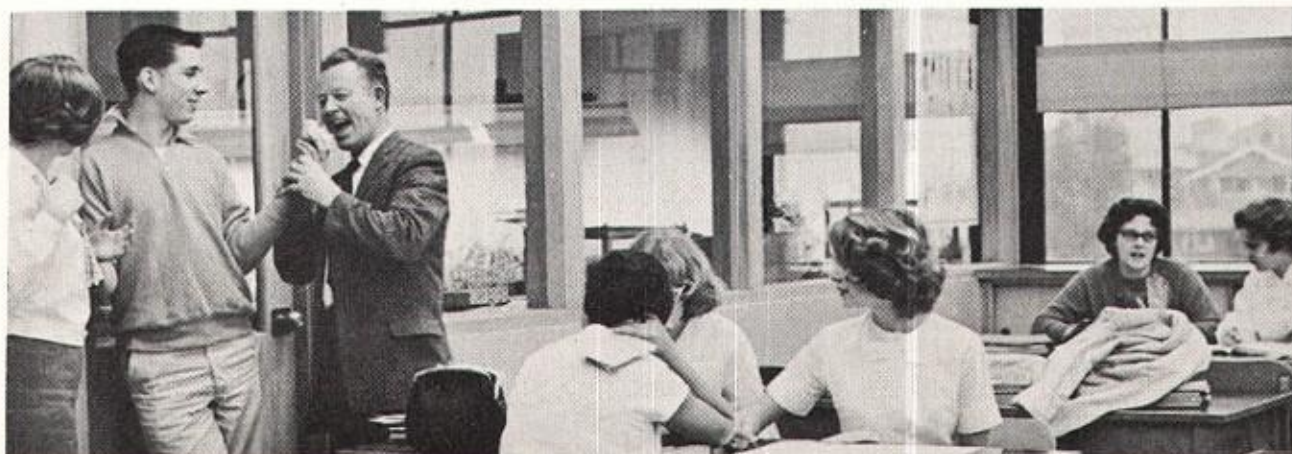

The final scenes have been played, the last act presented. The remaining task rests with you, the stars and critics, to evaluate this production.

The purpose of Honor Society is to encourage high scholarship by honoring students who have managed to maintain a high grade average. At the end of the year, the Torch Banquet was presented by the Juniors to honor the Senior Torch Pin holders. At that time, a scholarship was presented to a deserving member. One of the primary aims of the year had been to earn the money to be used in this worthwhile way.

OF OZ

Beware of the jitterbugs!

The classical fairy tale, "The Wizard of Oz," was this year's musical production. Aiding the superb acting of the drama students were some select members of senior choir. The quality of their singing was equaled only by the excellence of the acting. The expert direction of Mr. Jay Pollette coupled with the realistic scenery and the efficiency of the stage crew, helped make this production one of the best ever at Queen Anne!

"We're off to see the wizard."

Pep Council plays an important role in promoting enthusiasm for Queen Anne's sports events. During the year, these girls have sold roter buttons, have collected money for the teams' half-time snacks, and have planned numerous pep assemblies. This year of organized school spirit at Queen Anne is due to the fine Pep Council selected by the students.

DRILL TEAM

Drill Team members receive little recognition in comparison with the fine work they do. They have learned many formations during the course of the year, but due to unforeseen weather conditions, the public has not been able to view many of them. Their fine spirit and attendance at all of the football games intensifies that of the entire school.

This year, as in the past, Afex has been an active school organization. Since its founding in 1955, Afex membership has increased ten-fold. At present our school participates in a student exchange program with Germany and France. Earning money for the German exchange, sending tape recordings to Germany, and sending a scrapbook to England are only a few of the many worthwhile projects sponsored by Afex.

ROW 1: Mike Crutcher, Bill Turley, Alden Carlson, and Bill Eddleman. ROW 2: Joel Crosby, Arnold Morton, Phil Johnson.

One of the most rewarding activities sponsored by Queen Anne High School is the Debate Club. Any senior high student interested in gaining valuable public speaking experience is welcomed to the team. Debators meet weekly to to plan debates and compile the material on which their debates are based. If you compete in four public debates, you are eligible for an additional $\frac{1}{4}$ credit and a silver school shield. This activity is very time consuming, but the practical experience and knowledge you gain from it makes it all worth while.

QUEEN ANNE 14 LINCOLN 0

The Lincoln Lynx were no match for the mighty KUAYS this year. Sparked by quarterback Tod Hullin, the powerful Grizzlies boomed out 14 points in the first half to start off the season.

QUEEN ANNE 32 CLEVELAND 0

The Eagles simply couldn't stop the tough KUAY line this year. Dave Senner, John Martin, and Tod Hullin each smashed through the defenders for touchdowns to run the win string up to three.

QUEEN ANNE 7 SEALTH 0

The going was rough, but the hilltoppers held their position at the top of the league by blanking the Seahawks with a terrific sustained march of 62 yards, resulting in the winning touchdown by Tod Hullin.

QUEEN ANNE 0 SHORELINE 6

The Spartans barely edged by Queen Anne in the first post-season game this year. The tough KUAY squad made several heavy strikes during the hard-fought contest, but each time, they were stopped inches short of the goal posts.

QUEEN ANNE 19 FRANKLIN 6

Lead by halfback, Henry Arnoux, the Bears blasted the Quakers wide open in their second game of the season. The highlight of the game was a 43-yard run by Arnoux followed by a touchdown.

QUEEN ANNE 0 GARFIELD 0

Queen Anne's husky defense, led by "Tex" Dunlap, Jim Pearson, Pete Schnebele, and Chuck Auld, held the Bulldogs high vaunted ground attack to only 65 yards, with the Grizzlies carrying the fight all the way.

QUEEN ANNE 6 WEST SEATTLE 14

Although the Bears scored the first six points, the fired-up Indians came back to score in the second and third quarters, thus finally dropping Queen Anne from the top of the league.

QUEEN ANNE 6 ROOSEVELT 6

The KUAYS met the tough Teds head on in the final game of the season, but neither team was able to break the one-touchdown deadlock. Led by powerful Henry Arnoux, the Grizzlies drove deep into Roughrider territory twice, but could not score a winning touchdown.

Third team finished the year in the traditional first place, but this time with a new twist. They had to share the honors with Franklin and Sealth as the result of a three-way tie. From this group will come many of the varsity squad members for next year.

The KUAY second team played good ball, but they were not able to break into the winning column this year. Second team members often play during the varsity games, and many of these boys saw action with the first string this season.

Team managers play, perhaps, a more silent, but just as important role as the actual players in any sport. This position, which so often goes without reward, is often no less arduous than the actual participation in the sport. Team

managers must be at all practices and games; to keep score, apply first aid, distribute equipment, and perform the countless other tasks assigned to them. Therefore, we feel this page should be devoted to the recognition of their fine work.

Row THREE, John Jamison, Dan Schnebele, Bob Harvey, Pete Schnebele, Coach Normile. Row FOUR, Bob Olson, Jeff Van Horne, Vic Gage, Rich Pearson, Dennis Fee.

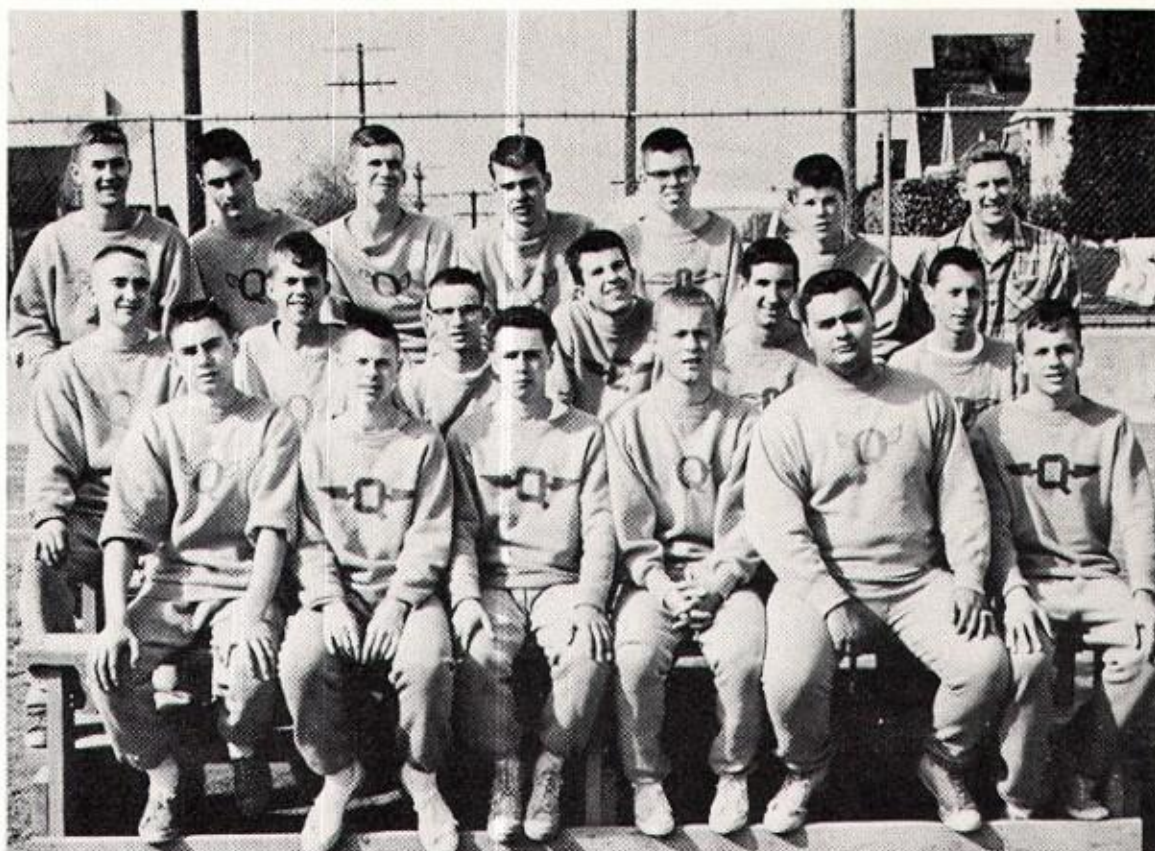

This year's varsity track team, headed by Coach Normile, can attribute at least part of its success to the availability of the splendid practice field. This, coupled with good spirit and desire, and consistent practice, is the reason we think the Grizzlies will have a successful track season.

This year's second team track squad, coached by Mr. Paul Braswell, fared well this season. The success of some of their meets can be attributed, at least in part, to the special attention directed to their continuous and well-planned practices. Our second team squad is representing Queen Anne in a fine manner.

SENIOR CLASS

As graduation approached, we looked back on our years at Queen Anne. The Sophomore year was one of adjustment; Queen Anne and Magnolia groups mixed and developed friendships. In this year, One B. P. (Before Portables), we enjoyed Sadie Hawkins Day and hid from the Derby Patrol on T-Day. We witnessed Bob Hawkins' fifty points . . . laughed at Joel Farley's skits . . . burst with school spirit.

As well-oriented Juniors, we found even more opportunity to participate in school government and activities. The Class of '61 sponsored "China Lights" in November and the Junior Dessert Dance in the spring. We went to see "Brigadoon" and "TV Kapers."

When we returned to Queen Anne in the fall of '60, we recognized many changes in our behavior. We could now enter the Activity Room with confidence; we found many teachers now considered us adults. We were Seniors at last! Under the guidance of Mrs. Paul, our class sponsored two fund-raising movies in the fall. A very successful Senior Dance was held on November 23 at the West Queen Anne Fieldhouse. Our parents had a great time at their dance on March 18. Finally it was spring, and we enjoyed the Senior Assembly, Luncheon, Commencement, and the Prom. In our many years at Queen Anne we gained a great deal of knowledge and became more mature. We made many friends among both faculty and students. Looking back, we realize that our years at Queen Anne have been rewarding, and we will always remember them with nostalgia.

Doug,
It had been swell being in trig with you this year. Although I didn't fail to well in physics you did pretty well for yourself. Keep up the good work and you will go a long way in life. Lots of luck.

The Sophomore class activities reached their peak this year when they held their Sophomore Dance in March. The main activity of the first semester was the Annual Clothing Drive. The second semester was eventful and fun when the Sophomores kept the grounds surrounding the school cleaned up for the entire semester.
